

Have I Got Feet for You!

by Rabbi David Zaslow

Hey, sox,
have I got feet for you!

Excuse me, ears,
but you'd better listen to this!

By the way, bed,
you sure are cozy!

Oh, earthworm,
keep an eye out for my toes!

Listen, kiss,
I think you feel great!

Hey, clouds,
you look a little under the weather!

Excuse me, sky,
but you sure can sing the blues!

Pardon me, mountains,
I think the moon fell asleep in your arms!

By the way, frog,
I saw you dancing at the hop!

Hey, ice cream,
here's a scoop of me!
